FUN AT BOARDING TASTER WEEKEND

Thank you to Ms Hannah who with the support of Mr Robert and the whole boarding team hosted 31 EXTRA boarders for the weekend. Friday night saw floodlit games on the field followed by board games and movies indoors.

TOURNAMENT OF MINDS

Thank you to all of the teachers that supervised the Tournaments of Minds teams that competed on Saturday and also the supporting teachers who gave their time to be judges. There were many hours of extra preparation involved. Congratulations to all the teams that participated, but especially the Primary Team, who came first runner up in the Arts Category.

EQUATOR AND MABIRA FOREST VISIT

Year 4 enjoyed a field trip to visit the equator and Mabira Forest. The children thoroughly enjoyed their different encounters as they moved through the forest, with a range of species seen. This wrapped up their Rainforest Theme that has been enjoyed over the term. It has been amazing to see the different links made across all of the subjects, from cooking food from rainforest resources to running a Rainforest Information Center. It has involved many enriching experiences.
